Fidelity Freedom<sup>®</sup> 2000 Fund (“2000 fund”) to combine with Fidelity Freedom<sup>®</sup> Income Fund (“Income fund”) on or about July 25, 2014.

The 2000 fund has reached a target asset allocation matching the Income fund and, as described in the prospectus, the funds will combine. As a result of this fund action, the following will occur:

- The 2000 fund will be closed to new investments and future contributions, including loan payments, and such investment elections will be transferred to Income fund on or about July 23, 2014.
- All existing balances in the 2000 fund will be transferred to the Income fund on or about July 25, 2014.

You may receive a prospectus from Fidelity as a result of these transactions.
